Subject: Buffalo moratorium

I enjoy barbeque and bacon as much as anyone but not at the expense of a pristine wilderness river. I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed. I'm not a tree hugger. I believe man has dominion over the land. But some of God's creation needs to be left unscathed. The Buffalo River is a special place.
